— OUR POLICY —

You, the customer must be satisfied and pleased with your purchase of plants from us. We will always ship a little extra value.

We will assist you and answer any questions you have concerning the growing and maintenance of Bromeliads. If you are new to the Bromeliad world, we strongly urge you to join the Bromeliad Society, 1811 Edgecliffe Drive, Los Angeles, Calif. 90026. The cost is small.

WE REGRET BONSAI CANNOT BE SHIPPED

We know you will love and enjoy growing Bromeliads as we have. Good Luck.

Our inventory is constantly changing so if we do not list the plant you want please let us know and we will make every effort to locate it for you.

No full grown plants shipped other than types 12 inches or less in height. On orders under \$5.00 and shipped in Florida add .75 for packing and postage. On orders under \$10.00 and out of state east of Mississippi River add \$1.00. West of Mississippi River add \$1.25, otherwise all orders are post-paid. 10% discount on any single order \$25.00 or over.
