## Tillandsia Special!

### SUPPLY LIMITED — SO HURRY!

\$24<sup>50</sup>

value for

\$20<sup>00</sup>

## LARGE PLANTS — SATISFACTION GUARANTEED

TILLANDSIA MAGNUSIANA \$ 5.00 ( 75 plants available, seldom advertised )

This is a cutie, a dry type with arching leaves. The bract comes out conical blood RED (2-3") and purple blooms emerge from the red cone. Should be mounted sideways since they grow on sides of trees.

TILLANDSIA SELERIANA \$ 7.50

Mounted or potted, the seleriana is a treat to watch when it comes into bloom.

TILLANDSIA CONCOLOR \$ 3.00

A stiff sturdy plant, leaves turn red in full sun, produces 1-3 bracts 6-8" tall.

TILLANDSIA IONANTHA CLUMP \$ 5.00

The versatile decorating plant that pups and seeds itself into a ball. Easily mounted on driftwood or Brom trees. A blooming beauty at Easter time. Several balls available first come first serve basis.

TILLANDSIA PLUMOSA \$ 4.00

Miniature to 5" globular rosette with silver grey leaves, bears one to three flowers. Dry type, should be mounted to drain. Found with Magnusiana on side of trees.

Please send check with order, postage will be billed.

PS. We recently collected some nice plants of the following and will sell the better plants on a first come basis, please write and indicate your interest.

T. carlsoniae, T. lampropoda, T. streptophylla, T. filifolia, T. sublifera, T. oaxacana

T. balbisiana, T. festucoides, T. makoyana, T. polita, T. utriculata, T. circinata.
