BROMELIADS AVAILABLE FOR
 SPRING AND SUMMER 1991

*The latest ones I have
 been*

The plants listed below are highly desirable super select clones and hybrids of some of the most exotic Bromeliads ever collected for quality and beauty. These are young hardy perfect plants produced and selected under controlled conditions ready to be cultivated to your specifications. All plants are immediately available to be shipped upon your request. Please include \$8.00 for the first 10 plants to be sent by Priority Post in the USA and \$2.00 per plant thereafter within the USA. Double this amount for foreign mailing.
