

Pineapple Place

3961 Markham Woods Road

Longwood, Florida 32779

(305) 322 - 7945

Open Daily 1 - 5 pm

1983-4 PRICE LIST

Make checks payable to Pineapple Place. Orders under \$20.00 add \$2.00 for packing. Shipping charges are included in prices listed for orders within the U. S. when shipped by regular parcel post or UPS. UPS Blue Label shipments will be on request of and payment by the customer. For shipments outside U.S. add \$5.00 for phyto-sanitary certificate, and shipping charges will be negotiated.

We do not substitute except on request. Refund will be made for plants ordered which are out of stock, poor quality or immature. We do not ship blooming size plants, but all will be good, husky rooted offsets. We are cleared to ship anywhere, including California.

We cater to collectors and retail purchasers of specimen plants. If what you want is not listed, please inquire.

If you are in the area plan to come see us. We are located one mile west of I-4 at Lake Mary exit number 50. From time to time we have excess seeds, which we will be glad to share. If there is something you are looking for, let us know and we will put your name on the list. There is no charge for seed, just the postage.
